Any conflict between these provisions and any other provisions of the Declaration and Bylaws will be interpreted in favor of this amendment permitting notices by regular U.S. or electronic mail and permitting the Association to use electronic communications to the extent permitted by Ohio and Federal law. The invalidity of any part of the above provision does not impair or affect in any manner the validity or enforceability of the remainder of the provision. Upon the recording of this amendment, only Unit owners of record at the time of the filing have standing to contest the validity of this amendment, whether on procedural, substantive, or any other grounds, and any challenge must be brought in the court of common pleas within one year of the recording of this amendment.

# AMENDMENT B

INSERT a new BYLAWS ARTICLE III, SECTION D entitled, "Indemnification of Board Members, Officers, and Committee Members." Said new addition, to be added to Page 19 of the Bylaws, Volume 1002, Page 877 et seq., is as follows:

D. <u>Indemnification of Board Members</u>, Officers, and Committee Members. The Association must indemnify and defend (as provided below): (1) any current or former Director, (2) any current or former Association officer, (3) any current or former Association committee

member, or (4) any of said Director's, officer's, or committee member's respective heirs, executors, and administrators; against reasonable expenses, including attorneys' fees, judgments, decrees, fines, penalties, or amounts paid in settlement, actually and necessarily incurred by them in connection with the defense of any pending or threatened action, suit, or proceeding, criminal or civil, derivative or third party, to which they are or may be made a party by reason of being or having been such Director, officer, or committee member provided it is determined, in the manner set forth below, that (i) such Director, officer, or committee member was not and is not adjudicated to have been grossly negligent or guilty of misconduct in the performance of their duty(ies) to the Association; (ii) such Director, committee member acted in good faith in what they reasonably believed to be in, or not opposed to, the Association's best interest; (iii) in any criminal action, suit, or proceeding, such Director, officer, or committee member had no reasonable cause to believe that their conduct was unlawful and is not convicted of theft or other theft related crime including but not limited to larceny, forgery, false pretenses, fraud, embezzlement, conversion, or any conspiracy related to any such theft related crime; and (iv) in case of settlement, the amount paid in the settlement was reasonable.

The above determination required will be made by written opinion of independent legal counsel whom the Board will choose. Notwithstanding the opinion of independent legal counsel, to the extent that a Director, officer, or committee member is successful in defense of any action, suit, or proceeding, or in the defense of any claim, issue, or matter, as the Board so verifies, they must, in that event, be indemnified and reimbursed for any costs and expenses, including legal fees, incurred in such defense. Any defense the Association provides will be by legal counsel the Association's insurance carrier selects or, if not selected by the Association's insurance carrier, a majority of the Directors excluding the accused or threatened Director(s). If a majority of the Directors cannot agree on legal counsel or if all the Directors are accused or threatened in any such action, the Board will appoint a special committee of 3 Unit Owners to select legal counsel to defend the Directors.

- (a) Advance of Expenses. The Association may advance funds to cover expenses, including attorneys' fees, with respect to any pending or threatened action, suit, or proceeding prior to the final disposition upon receipt of a request to repay such amounts.
- (b) <u>Indemnification Not Exclusive</u>; <u>Insurance</u>. The indemnification provided for in this Section is not exclusive, but is in addition to any other rights to which any person may be entitled under the Articles of Incorporation, the Declaration, these Bylaws, or rules and regulations of the Association, any agreement, any insurance provided by the Association, the provisions of Ohio Revised Code Section 1702.12(E) and its successor statutes, or otherwise. The Association must purchase and maintain insurance on behalf of any person who is or was a Director, officer, or committee member against any liability asserted against them or incurred by them in such capacity or arising out of their status as a Director, officer, or committee member.
- (c) Directors. Officers. and Committee Members Liability. The Association's Directors, officers, and committee members are not personally liable to the Unit Owners for any mistake of judgment, negligence, or otherwise, except for their own willful misconduct or bad faith. The Association's and Unit Owners' indemnification includes, but is not limited to, all contractual liabilities to third parties arising out of contracts made on the Association's behalf, except with respect to any such contracts made in bad faith or contrary to the provisions of the Declaration or these Bylaws. Every contract or agreement approved by the Board and made by any Director, officer, or committee member is made only in such Director's, officer's, or committee member's capacity as a representative of the Association and has no personal liability under such contract or agreement (except as a Unit Owner).
- (d) <u>Cost of Indemnification</u>. Any sum paid or advanced by the Association under this Section constitutes a Common Expense. The Board has the power and the

responsibility to raise, by special Assessment or otherwise, any sums required to discharge the Association's obligations under this Section; provided, however, that the liability of any Unit Owner arising out of the contract made by any Director, officer, or committee member or out of the aforesaid indemnity in favor of such Director, officer, or committee member is limited to such proportion of the total liability as said Unit Owner's pro rata share bears to the total percentage interest of all the Unit Owners as Association members.

Any conflict between this provision and any other provisions of the Declaration and Bylaws are to be interpreted in favor of this amendment for the indemnification of the Association's Directors, officers, and committee members. The invalidity of any part of the above provision does not impair or affect in any manner the validity or enforceability of the remainder of the provision. Upon the recording of this amendment, only Unit Owners of record at the time of such filing have standing to contest the validity of this amendment, whether on procedural, substantive, or any other grounds, provided further that any such challenge must be brought in the court of common pleas within one year of the recording of this amendment.
